

# worshiplude

Feb. 10 - 12, 2012 OTTAWA, ONTARIO

## *Hey United Church Youth Groups!*

Come join us in Ottawa for a weekend of winter fun. Skate on the Rideau Canal, visit the Museum of Civilization, watch fireworks, ride ice slides, see international ice sculptors, all as part of Winterlude in Ottawa.

On Saturday night, we'll gather together for THE POINT, Ottawa Presbytery's big youth worship gathering. It's a great opportunity to meet youth from across the region and worship in ways that are fun and exciting.

And best of all....it's all FREE!

All you need to do is get here. We'll even match your group up with a host congregation here in town. Crash in their building, meet youth from their church, and worship together on Sunday morning before you leave.

We really hope you'll join us this February for Worshiplude. If you'd like more info, email us at
